

# LAMP

## liquid art media project

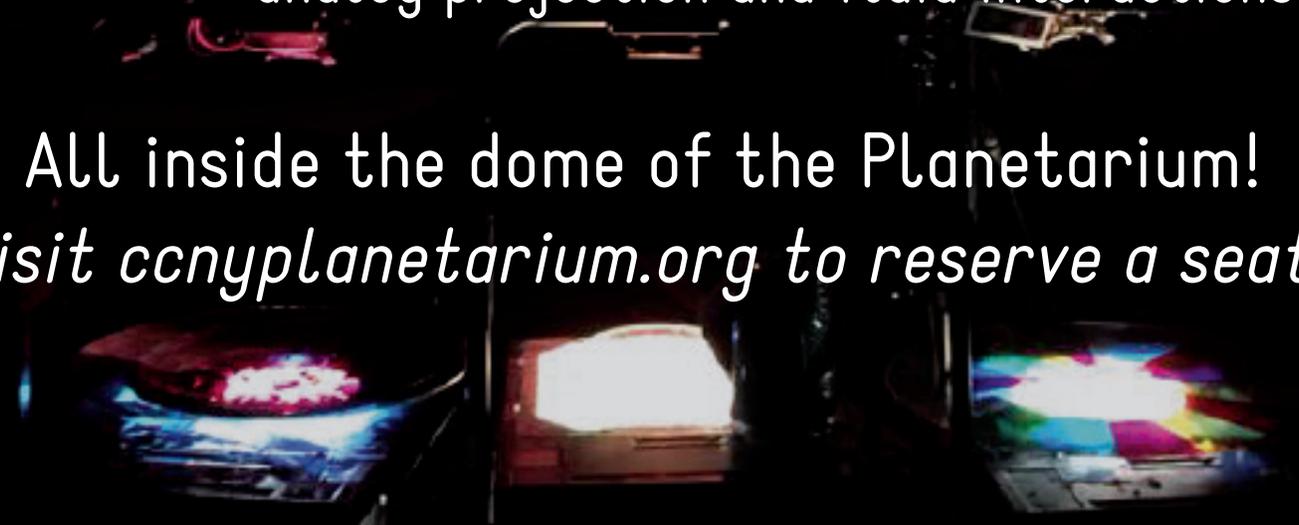

Friday May 17th  
6:00 pm

Explore the art behind  
"Cell Biology's New Phase"

Join scientists, artists, and beyond for a  
free hands-on organic art experience using  
analog projection and fluid interactions!

All inside the dome of the Planetarium!  
*visit [ccnyplanetarium.org](http://ccnyplanetarium.org) to reserve a seat*

Hosted by: Shana Elbaum-Garfinkle, Ph.D, ASRC/GC  
Steve Pavlovsky, Liquid Light Lab James Hedberg, Ph.D, CCNY
